

Spray Gun Extensions

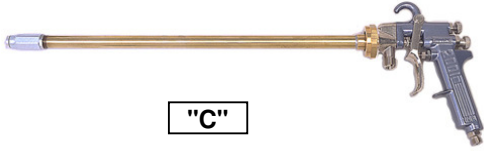

Standard lengths vary from 6" to 84"

Special lengths are custom ordered.

All extensions have a No Return policy

Specify style, gun model, length and nozzle set-up when ordering

CONVENTIONAL AIR SPRAY EXTENSIONS

- 360 degree "Halo" spray pattern
- **3/4" clearance diameter**
- Right, reverse & forward spray patterns available, specify when ordering
- High Flow version also available

- 360 degree "Halo" spray pattern
 - **3/8" clearance diameter**
 - Non-adjustable spray pattern
-
- Same characteristics as "SC" but with improved atomization
 - Utilizes all of Binks parts with a Devilbiss MBX tip

- 90 degree spray, non-adjustable head
- Uses any "60" series fluid / air nozzles specify when ordering
- **3" clearance diameter**
- Adjustable fan control

- 45 degree spray, non-adjustable head
- Accepts any "60" series fluid / air nozzles specify when ordering
- **2-1/2" clearance diameter**
- Adjustable fan control

- Forward spray, non-adjustable head
- Accepts any "60" series fluid / air nozzles specify when ordering
- **1-3/4" clearance diameter**
- Adjustable fan control

- 1.1 mm fluid tip
- Internal & external mix air caps available, specify when ordering
- All stainless steel version available
- **1-7/8" clearance diameter**
